

### LOCAL ACCOMMODATION PROVIDERS

At Owlpen we understand that you want as many people as possible to stay as close as possible to the venue, so that they don't have a long journey home, and can get backwards and forwards easily. We recommend all of the places on this list, although we have not visited all of them individually. If you have a lot of people who want to stay locally, we recommend using Tetbury as a base for them if possible. It is a picturesque local town, with lots of accommodation of varying types. You just have to book the rooms early as they can be in demand! If you would like to consider running a shuttle bus service from there to Owlpen (for drop-off, pick-up or both), then we recommend Applegates which is a great local company. You can find them here:
